

From The Desk Of
John D. Buberniak

June 22, 1983

This piece of stationery
was designed and
produced by JVB at
the Carbondale Area
High School today.
He made himself several
hundred copies and
he showed them to me
and I took a
couple of pages --
John asked me if he
could make some
for me and I said
I would be delighted
to have some. I
requested that the
name be in bold face
and the "from the
desk of" be in regular
type. I also requested
a lower case "t" for
"the" and a lower case
"o" for o. "No problem,"

said John. Also at the

High School this morning, John produced a negative from my
mechanism of the membership certificate of the CHS & M - 1982 -
1983. The negative looks great. Tomorrow morning at 9:30
I will meet John at the High School and we will print
several hundred copies of the certificate. I can hardly wait.
We should then be able to distribute the certificates at the
meeting tomorrow night in 301 CCH. I will doubtless
paste a copy of the certificate in these pages as soon as
they are produced. Here is also a page of information that
will be printed on the reverse of the membership certificate --
it gives the names of the officers and the board of
directors for 1982-1983. I know that these certificates
will be outdated in six months, but I do want to
have them printed -- just for the record. Time to refill the
pen. What a difference! I could feel it coming, "it" being the
end of the ink. How I do like jet black ink on white paper.
The ink is called "Pelikan 4001 - Brilliant Schwarz.
Brilliant black. Noir brillant. Negro brillante." On the
other hand, I absolutely hate blue ink -- if you please.
